### Invitations

Invitations can be sent to faculty members for them to accept or decline membership on a committee.

To send invitations, click the Send Committee Invitations tab. Check the boxes next to the faculty members you wish to invite, then click Send Email.

**Note:** The text of the invitation can be modified, but it is important not to change any text that appears between the “{ }” brackets, as this is where GSTS data such as names and hyperlinks will be merged into the message.

The invited faculty member(s) will receive an email instructing them to click the accept link or the decline link—no login will be required on their part:

Once a faculty member accepts or declines, their decision will display in the Committee tab:
