Case Competition Overview: Presentation Guidelines

- Teams may have no more than 4 members, and a minimum of 3 is suggested.
- Each team will be given 1 copy of the case information and emailed a link to the case Data Pack. The team can make additional copies of the case information as needed.
- You may use any/all publicly available information including any databases you have access to through your school, but there should be sufficient information provided to form a good base for your presentation.
- You may also consult industry and analyst reports, trade magazines, and other publications beyond those provided.
- You may NOT call any employee of the companies that are the subject of the case.
- You may NOT call any industry or company analysts or other experts.
- Presentations should be 30 minutes in length including Q&A. It is not a requirement that all team members presented, but if possible it is suggested (Be thoughtful in terms of who presents what).
- The target audience for the presentation is the Client or Client's representatives.
- You must use the PowerPoint template included in the data pack to create your presentation.
- You must print 4 hard copies of the presentation for the judges for the final presentation.
- You must clearly write your team name on the cover page of your presentation. In addition, please include one slide that has the name and picture of each team member.
- You must submit your final presentation by 8:00 PM CST on April 30th to tkuehl@deloitte.com. There will be no exceptions to this deadline.
- The dress code for the final presentation on May 1st is business casual.
