MONDAY, APRIL 22 • 12:30 - 2:30 PM • HARDIN HALL

Meet leaders from various community organizations based in Rogers Park to learn how you can become more connected to and involved in the neighborhood. The remainder of the event will be an opportunity to mingle with these organizations stationed around the room:

• GOOD NEWS PARTNERS: NEW LIFE SHELTER
• HOUSING OPPORTUNITIES FOR WOMEN
• HOWARD AREA COMMUNITY CENTER
• ROGERS PARK BUSINESS ALLIANCE
• STARFISH LEARNING CENTER

These community organizations are coming to campus through a connection with NEIGHBOR2NEIGHBOR, a Northwestern initiative that promotes learning and service rooted in the local community. To learn more or to sign up for upcoming events, visit the Neighbor2Neighbor section of the Student Affairs website or email Valerie Buchanan, assistant director of leadership development & community engagement, at val.buchanan@northwestern.edu.

This event is hosted by the Graduate Leadership & Advocacy Council (GLAC) in honor of Shane Colombo, an incoming PhD student who lost his life to gun violence on September 2, 2018. All graduate students and anyone else who is part of the Northwestern community and would like to learn more are welcome to come and go as they can. Light refreshments will be served.
