Like to teach? Teach at Splash!

What is Splash?

We bring the students, and you do the teaching.

Splash! is an educational outreach program that brings together Northwestern and high school students for a day of teaching and learning.

What can I teach?

Anything you want! Literally. Psychology, dance, Greek mythology, or even magic isn’t out of the question.

Join Splash!

Register as a teacher
https://nusplash.learningu.org
Registration closes on February 22nd
Splash will reimburse up to $30 of class material costs
